COMMENTS:

This bill would amend the Government Code to allow the city of Sacramento to lease a specified piece of property known as the 58th Street Armory.

The January 8, 2008, amendments removed the income tax provisions that would have required the Public Utilities Commission to report to the Legislature and the Department of Finance on the amount of state and federal income taxes paid by utility companies. As a result of the amendments, this bill no longer impacts the department's programs, operations, or state income tax revenue. The analysis of the bill as introduced March 28, 2007, no longer applies.
